

Computing

Course	Credits
Information processing	6
Mathematics	12
Computer programming	12
Programming language	11
Operating systems	6
Italian (I)	4
Italian (II)	2
English	6
Physics	6
Probability theory	6
Free courses	6
Algorithms and Data Structures	10
Software engineering	10
ICT and law	11
Data banks and information systems	6
Statistics	5
Multimedia software engineering	6
Calculus	6
Territory computer sciences	5
Networks and security	11
Computer sciences and healthcare	10
Artificial intelligence	5
Free courses	6
Internship	8
Final dissertation	4
